Subject: Substantial and widespread demonstration

Hi Tina, Tonya;

Per our meeting on April 22nd, please find attached DEQ's outline for carrying out the substantial and widespread economic demonstration we discussed.

If you have any initial comments, we would like to hear from you as soon as possible. We understand that you may not be able to get a clear response from HQ quickly. Nevertheless, DEQ would like to get started on this soon and so if the Region has any specifics, we'd like to get those squared away.

Also, we should think about when we will schedule our next meeting to discuss SB367 implementation (i.e., follow up to the April 22 meeting).

Thanks,

Michael Suplee
